

PASTORING HUNTERS

JASON CRUISE

YOU'RE A MINISTRY LEADER.

But Most
Likely
You're
Not
A Hunter.

THE FACT REMAINS ...

- ◆ HUNTERS ARE IN YOUR CHURCH NOW.
- ◆ HUNTERS SATURATE YOUR COMMUNITY.
- ◆ HUNTERS ARE ELUSIVE AND CARE VERY LITTLE ABOUT CHURCH ATTENDANCE.

AND TO BE SUPER HONEST

Most pastors see hunting as a threat to Sunday morning attendance.

And I would know.

I spent many years as a pastor myself.

MY STORY.

Early in my ministry career I slammed into a brutal but positive reality: I realized I could use what I love to reach men that are never coming to the church I was serving. I did not hunt ... I was a hunter. To. The. Core. Which meant I knew how to think like one.

A brutal reality ... because I was going to have to hatch a radically new mindset as a minister.

A positive reality ... because hunters are bridges to a population of unreached people where pastors are offered no invitation!

So I began a journey over 20 years ago. I began to write books, publish Bibles, create magazines, and produce television shows to reach this untapped mission field.

FAST FACTS.

I EXECUTED THIS SURVEY MYSELF. POLLING CHRISTIAN HUNTERS NATIONWIDE.

94% Of Christian hunters say hunting is on their mind constantly.

86% Attend church once a week.

46% My church does nothing to reach hunters.

26% My church offers a wild game dinner but not annually.

4.5K Number of hunters per county in the USA.

14.3 million hunters / by 3143 counties in the nation.

HOW TO TURN A HUNTER INTO A MISSIONARY.

mindset

IT STARTS WITH YOU.

A mindset shift is where it begins. Here's your first mental mountain to climb: hunting is not a hobby.

Hunting is an identity.

Is ministry a hobby for you? No! Ministry is the lens through which you view your very life and calling.

Same for hunters. A hunter cannot separate his identity as a hunter any more than he can separate oxygen from his bloodline.

empower
UNLEASH THESE GUYS.

Who cares if they are not in church 52 weeks a year.

During hunting season, hunters are in duck camps and duck blinds, sitting around campfires, and sleeping in a deer camp . . . surrounded by men that don't know Jesus the entire time.

Find ways to empower your hunters as missionaries.

◆ **PRAY A COMMISSION OVER THEM IN
WORSHIP ON THE SUNDAY BEFORE
DEER SEASON BEGINS.**

◆ **ASK TO GO HUNTING SO THAT YOU CAN
SEE THE CULTURE WHERE THEY OPERATE.**

◆ **HOST A PRIVATE MEAL WITH HUNTERS
JUST TO GET TIME WITH THEM.**

◆ **OFFER TO HELP DUCK HUNTERS BRUSH
UP THEIR BLINDS BEFORE THE OPENER.**

do things that
let them see
that you get it!

I've pastored churches. I know the soul burden that comes with the calling.

Your time is already limited.

The last thing I want to do is put more on your plate and leave you feeling like it's just another thing you cannot get to right now.

This ministry platform can be so life-giving to you. It gets you outside and alongside men. Energy spent on building the Kingdom by building men is not a ministry you have, it's a legacy you develop, and a legacy you leave behind.

I hope these simple frameworks have helped bring some clarity and inspiration.

What you do matters.

Stay in the fight my brother!

Wild & Kingdom exists in (3) parts and drops once a month.

We produce one show a month on YouTube.

That show presents a topic every man in America must confront.

Separate from that show we go back into the studio for a podcast that is a biblical deep dive on the topic presented.

Every show comes with The Manhood Manifesto.

A downloadable PDF churches can use as a guide toward kingdom-driven manhood.
